269th Meeting

May 2018

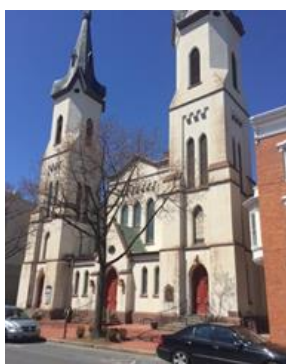

Volume 44, Issue 9

May 17, 2018, 7:00 PM National Museum of Civil War Medicine 48 E. Patrick St, Frederick, Maryland

We are excited to announce that in lieu of our May meeting we will be led on a walking tour of Frederick sites with Civil War history. Our guide will be Joe Collins, a member of our FCCWRT. We'll meet in front of the National Museum of Civil War Museum at 48 East Patrick Street at 6:30 PM to begin. Our tour will end at Brewer's Alley on Market Street for dinner (on your own) and conversation. There is no cost for the walking tour. Be prepared for stories of explosions, death, and extortion! Spouses and friends are encouraged to attend. In the event of heavy rain we'll have a slide show of Frederick historic sites at the Museum. Below are just a few of the sites we will be visiting (photos by Lucy Tannozzini). Some sites were once hospitals after Antietam so if you have a copy of "One Vast Hospital" by Terry Reimer you might want to take time for a review. Please RSVP by May 10th to Matt Borders at mborders@comcast.net if you plan to attend or have any questions.

In Case You Missed It.....

At our April meeting, author and licensed Gettysburg NMP guide James Hessler spoke of that general we all love to hate, Dan Sickles. No matter what you think of him today, he was a master politician and a master of “spin.” The only child of wealthy parents (“Pop” Sickles and “Ice” Sickles), he served as a Congressman from New York and gained a reputation as a playboy and womanizer. He was acquitted for the murder of his one-time friend Phillip Barton Key and still managed to rise from the ashes of disgrace. When war broke out he raised the “Excelsior Brigade” and gained the good graces of the Lincolns. Despite little combat experience he rose up the ranks, eventually becoming the commander of the Union Army Third Corps at Gettysburg. While he was criticized for his movements on the battlefield he nevertheless came up with excuses to vindicate his actions, even claiming that he advanced his corps into the open to prevent General Meade from retreating from the field. Continuing his chosen lifestyle after the war, he outlived Meade and gained support

from Confederate General Longstreet to support his claims to be a hero of Gettysburg. Despite his controversial activities, Sickles helped preserve the Gettysburg battlefield through post-war legislation and ensured the creation of the Gettysburg National Military Park before his death in 1914. If you didn't pick up a copy of Mr. Hessler's book at the meeting you may purchase one online or probably at the Gettysburg Visitor's Center.

With May here we have reached the end of our 2017-2018 season. It has been my pleasure to head up the Frederick County Civil War Round Table for this past season and I look forward to this coming September when our meetings will start up again. During our off months the board and I will be developing next seasons' speaker schedule and we will have that out to you as soon as possible. We have received a number of great suggestions from you, our members, about topics and speakers you would like to hear about and we will endeavor to provide for you.

Be sure to keep an eye on the facebook page this summer as we continue to update you on local and regional Civil War events and activities. The next big event headed our way this May is the Monocacy National Battlefield Authors Event, please see the advertisement later in the newsletter. This event, scheduled for May 12th, is bringing in a variety of authors on the Monocacy Campaign, including the one and only Ed Bearss!

Finally I wanted to thank you all for your continued support of the Frederick County Civil War Round Table. It is due to your continued interest in our topics and speakers that we have been getting our membership back up at the monthly meetings. I am also very thankful for the support of the board who have been immensely helpful to me during my first season as President. The success of the round table would not be possible without each of you.

I hope everyone has a safe summer and I look forward to seeing you all for our walking tour of Frederick on May 17th at 6:30pm.

~Matt Borders
